## A Religious and Cultural Journey through Colombia

Colombia is one of the countries with the highest number of Catholics in the world, and religious manifestations are deeply rooted in the culture of its people. The fervor of Colombians is evident in the beautiful churches found throughout the country, the processions, and the festivities surrounding the Virgin and the saints. These are the religious tourism destinations in Colombia that you must visit if you want to get a close look at how Colombians live their religion.
